\*\* In March of 1993, CFHCA changed the scoring of goals to be worth two points statistically. All-time list has been altered to reflect two points for a goal and one point for an assist. Under the old scoring rules (one point for a goal), Debra Sweeney was the conference leader in points in 1989 and 1991. Thus, both players are listed (leader under the old rules and leader under the converted system).
